Aviation Education Programs

Scholarships: *There are two aviation scholarships available each school year. One is The Willard G. Plentl Aviation Scholarship in the amount of \$1,000 that is awarded to a Virginia High School senior who is planning an aviation career in a non-engineering area. Examples of non-engineering aviation careers include (but are not limited to) pilots, aviation maintenance technicians, aviation managers, etc. Scholarship applicants must have an unweighted GPA of at least 3.5 and a certification of acceptance into a non-engineering, aviation-related post-secondary education program. Another one available is the John R. Lillard VAOC Scholarship in the amount of \$3,000.00 that is awarded to a Virginia high school senior who has at least a 3.75 unweighted GPA, must be planning a career in the field of aviation, and must be enrolled or accepted into an aviation-related program at an accredited college. For more detailed information and deadlines please visit our website at www.doav.virginia.gov/aved.htm.*

Art Contest: *Each year there is an international aviation art contest held for those between the ages of 6 and 15 years old and three age categories which are broken down by the year you are born. The theme for the contest changes annually and gives students a chance to be creative as well as get some education about the theme and aviation in general. The contest begins statewide around the start of the school year (usually in September) and the deadline falls during the first week of December in the same school year. For more details visit www.doav.virginia.gov/comm_ed.htm*

Teacher's Grant Program: *Teachers have the opportunity to instruct an aviation related lesson and get reimbursed up to \$250 dollars each year. This is a great chance to educate students about aviation while having fun in the process. For more details and deadlines please visit www.doav.virginia.gov/aved.htm*

Photo Contest: *This contest is open to all ages and encourages participants to submit photographs of aviation-related activities in Virginia. Each photographer may submit a maximum of twelve photos for the contest and all photos involving aviation in the Commonwealth of Virginia will be accepted. Award winners will be featured in the Virginia Aviation Calendar, on the Department of Aviation's website, on the DOAV's blog 'Virginia Aviation News' and on DOAV's facebook and twitter sites. First, second and third place winners in each category will receive a certificate of recognition and a package of Virginia Department of Aviation and Virginia is for Flying Lovers logo items. For details on how to enter visit www.doav.virginia.gov/photo_contest.htm*

Aviation Ambassadors Program: *This program gives people of all ages a chance to see the 66 public-use airports in Virginia as well as visit museums and attend a safety seminar. Upon completion, you will receive a leather jacket and participate in an ambassador ceremony during the Regional Festival of Flight at the Suffolk Executive Airport. To get started you can pick up a passport at any airport in Virginia or contact Kim Wells at (804) 236-3624 for more information.*
