Why we do it????

In memory of Mary Ann Clements, and everyone else who has been faced with this terrible illness, we are determined to continue their fight to find a cure for cancer. So many have battled this disease with strength and courage and it is because of them that we ask for your support.

This year we will be joining forces with the American Cancer Society, Lower King & Queen Fire-EMS, Fulcrum Concepts, LLC and The Middle Peninsula Regional Airport. This event will benefit both the Cancer Society and Fire-EMS.
