FOR IMMEDIATE RELEASE

EAA Chapter 186 Fall Fly-In 2016: *The Biggest Little Fly-In on the East Coast*

EAA CHAPTER 186, MANASSAS, Virginia — (August 11, 2016) — The EAA 186 Fall Fly-In, long recognized as one of the East Coast's fun aviation events is back! With airplane judging, a FlyMart for aircraft parts, exhibits, seminars, aircraft displays, fabulous food, activities for the kids, and much more, the EAA 186 Fall Fly-In only lacks one thing...YOU!

From 8:00am to 4:00pm on October 1st at the Warrenton-Fauquier airport, this year's Fly-In promises to be one to remember! There will be will many events throughout the day and lots good fun for everyone. There's plenty of space to park your plane or car, so fly-in, or come by car and stay for the whole event. Admission is FREE!

The EAA 186 all Fly-In allows the public to get up close and personal with pilots who build and fly their own planes, and to talk directly with pilots, builders and restorers of military, antique and ultra-light aircraft. Youths between 8 and 17 can preregister for a FREE Young Eagles flight with the goal of creating a lifelong interest in aviation and related fields. More information can be found at their Fly-In website: EAA186flyin.org.

Locally, EAA Chapter 186 meets at 10:00 AM every fourth Saturday of the month at their chapter house on the Manassas Regional Airport. It always welcomes and encourages new members or those who want to discover more about aviation. Those interested can find out more at EAA186.org, [Facebook.com/EAA-186](https://www.facebook.com/EAA-186), and https://twitter.com/eaa_186
